

TOP COMPONENTS LTD

SPECIALISTS IN ATEX EXPLOSION PROOF CONNECTORS AND SUPPLIERS OF MOST MILITARY AND COMMERCIAL RANGES.

SMALL BUSINESS BUT WITH BIG AIMS

We are a Company whose members are ALL TECHNICALLY EXPERT that combined with YEARS OF EXPERIENCE are able to offer a wealth of advice and assistance, whether you are seeking connectors that you buy frequently, or are looking for suggestions and help concerning brand new projects.

We believe in adopting a PERSONAL APPROACH to our customers' problems, and we will spend as much time as necessary in providing a solution to any enquiry that you are prepared to entrust to us.

It is also our policy to supply connectors ON TIME and at a price level that is an improvement on those offered by our competitors.

Our endeavour is therefore to always give you the BEST SERVICE we are capable of and at a cost that you will hopefully find attractive in this demanding market.
